We can have fun in the snow!

Five of us didn't make it back to Takotna on Saturday because of weather. Thank you, so much, Judy and Joyce, for taking such good care of us for another day!!!

MCGRATH FUN RUN

RACING IN THE SNOW

Last Friday we traveled to McGrath to participate in the Fun Run and Halloween Carnival. A 1/2 mile course had been laid out in the snow behind McGrath School. Everyone ran it in less than 10 minutes. What a great workout!

SCAVENGER HUNT

Right after the Fun Run, we had a scavenger hunt. All the participants were split into three groups and went to take a picture of a long list of items such as a snowman, a crane, a stop sign, and a pumpkin. Each team had students from Takotna, Nikolai, and McGrath so we could mix up and get to know each other. Roasting hot dogs after the hunt was a great way to warm up!

THE HALLOWEEN CARNIVAL WAS GREAT FUN

Thank you, McGrath for inviting us.

We had great fun meeting new students in McGrath.

Arrow can finally reach the bars; hooray for snow!!
